Goldwood speakers are a perfect choice as replacements for many older speaker systems. Most of the woofer are designed for use in acoustic suspension boxes (sealed boxes). You could try them in a vented box, but it will boost the bass response in the low end. Please take a look at our website for specifications on the speakers.

Item	Description	Imp	Frequency Range	Diameter	Cut Out	Power	Price
GT-1005	Piezo horn tweeter	8	3,500 to 27,000Hz	3.25" sq		50	$2.25
